

# ECH LITE

ECH LITE offers patient-centric solutions designed specifically to meet the challenges of clinics and physicians. The ECH solution support collaborative activities enabling administrative and clinical staff to share information and work cooperatively with patients.

Manage your clinic in the cloud, from anywhere, on any device or platform, with only an internet connection. Choose a cost-effective, easy-to-use solution for clinics and physician practices.

ECH is a modular solution that provides all the functionality of the next generation patient administration and electronic medical record to manage clinics.

The solution provides the administrative and clinical processes for registering and maintaining patient information within the care process.

## Manage clinics and physician practices.

Our solutions are easy to learn, simple to use, and sophisticated to help you meet today's complex challenges in managing patient journey. ECH LITE deliver a seamless experience for your patients, enabling easier patient scheduling, smooth registration, and efficient clinical documentation.

The solution provides the simplified patient registration and maintenance of patient demographic and visit information together with the electronic clinical documentation inside clinics and physician practices.

## EASY SCHEDULING

Flexible scheduling tools centralize staff calendars for multiple locations and configure to meet the needs of individual physicians and clinic operations.

ECH provides planning and scheduling of appointments according to medical and business priorities.

## EFFICIENT PATIENT TREATMENT AND BILLING

ECH provides capabilities to timely and accurately capture the information about the patient's visit. Along with the clinical documentation, the solution offers the functionality to ensure that the users successfully and efficiently treat the patient.

Appropriate documentation ensures patient billing in the shortest possible time by enabling staff to collect all clinical and administrative data necessary to do a complete and valid billing.

## ELECTRONIC SIGNATURE

The electronic signature included in ECH lite improves the relationship between the professional and the patient and simplifies obtaining informed consent.

We simplify the process so that the signer feels comfortable when signing the document, guaranteeing full legal coverage.

## COMMON MS

Common MS is recognised as an international, specialist **SAP Partner, Value Added Reseller and Partner Center of Expertise (PCOE)** in implementing and supporting SAP Healthcare solutions.

Our ECH LITE Solutions are available in the SAP Store and are certified in the **SAP Industry Cloud for Healthcare**.
